MEMORANDUM FOR: Director of Communications, DA
Director of Data Processing, DA
Director of Security, DA

FROM: Daniel C. King
Director of Logistics

SUBJECT: New Building Planning and Programming

1. Attached for use in formulating FY-86 and out year estimates is a copy of the current management plan for systems acquisition and installation. This plan has been compiled by the New Building Project Office with the assistance of your designees.

2. The Office of Data Processing plan is still very general. Components should coordinate closely with them since they are reassessing what functions and facilities are to move to the New Building.
